FIELD EXPERIENCE

Archer Productions:

October 2021- Present

Video Editor for Lee Archer. Consist of music videos, weddings
concerts, commercials.

Ed Wagenseller's Internship:

January 2021-May 2021

Lead cameraman and video editor for Acting in Front of Camera course.
Created 12 individual reels and a complete roster package using: a Sony
VX1000, Smith-Victor Model SBL-1 Soft Box Light, Lowel Pro MBD,
Lowel Omni New York Uni TO Stand, and apple boxes. Adobe Premiere Pro.

YouTube:

December 2013-Present

I started to focus on editing videos when I was at Trident Tech.
My videos content consist of experimental shorts, movie reviews,
and food eating videos. The majority of my videos come from this
website.

"Caffeine"

December 2016

Co-Director, Editor, Storyboard, Writer, & Gaffer

Student short film for my production class at Trident Tech.

The other co-directors were River Galicia and Jackson Knowlton.

We borrowed an old traditional camera with limited amount of film

Reel. CAME-TV are the main gaffer equipment to create light.

INVOLVEMENT

Visions 10 Film Festival & Conference:

March 2021

Volunteered at a virtual film festival on the website Filmocracy. I participated
And chaperone around the festival while connecting with filmmakers involved
in the industry.
