I have been a part of the entertainment industry in my area for over 20 years. I have had the opportunity to work on many different types of productions over the years and would like an opportunity to learn more about television and movie productions.

EXPERIENCE

OCTOBER 1999 – PRESENT

IATSE LOCAL #278, CARD HOLDER/STAGEHAND

ERIK MCDANIEL, B.A. LOCAL #278 828-545-0641

I provide general stagehand services to the theaters and arenas in our area. I have also helped with larger exhibition builds in several convention centers in our area.

JULY 2003 – PRESENT

DIANA WORTHAM THEATHER, FLYMAN/STAGEHAND

MICHAEL LOWERY, PRODUCTION MANAGER 828-210-9854

I help set up the audio and video equipment depending on the production that is using the space. I also act as lead flyman for most of the productions that come through.

APRIL 2018 – PRESENT

PISGAH AVL, STAGEHAND

ROBERT SHAFFER, OWNER/PRODUCTION MANAGER 240-620-3331

In addition to helping to set up for live music productions I have also helped Pisgah AVL with weddings and video shoots. This past season I have been running cameras for drive-in concerts as well as setting up and tearing down outdoor music productions.

SKILLS

- Knowledgeable about the install and focus of theater lighting fixtures
- Extensive knowledge and use of the weight and arbor system used in our flyrail system
- Understanding and execution in setup of various audio components and systems
- Set construction and carpentry

ACTIVITIES

I have always enjoyed expanding my skill sets and learning as much as possible. I have been spending my time during the slow down to teach myself to use the lightboard at the Diana Wortham Theater and hope to expand on my audio engineering knowledge as well.
