## EXPERIENCE

---

### *Whee, The Cats, **Producer, Cinematographer, and Post Supervisor***

*May 2023 - May 2024*

- Produced a 9-episode docuseries featuring our school's historic 2023 football season
- Created and maintained post-production workflow allowing us to finish and upload episodes every two weeks consistently
- Helped direct a rotating production crew of 10 film students which streamlined workflows for enhanced productivity

### **Freelance Commercial Production**

*June 2025 - Present*

- Assisted on commercial shoots with Blue Forest Studios using professional camera systems
- Operated and adapted to new camera and lighting equipment for interviews and B-roll
- Maintained and organized cameras, lenses, and accessories for production use
- Communicated with clients to determine equipment needs and recommend solutions
- Provided guidance to team members on proper camera setup and equipment handling

### *Western Carolina, **Gear Rental Associate***

*August 2023 - May 2025*

- Checked in/out cameras, lenses, and lighting gear, keeping equipment organized and functional
- Inspected and tested gear for performance issues, troubleshooting and making minor repairs as needed
- Organized and tracked inventory to keep equipment accessible and accounted for
- Assisted students and staff in selecting appropriate gear for specific production needs
- Demonstrated proper handling, setup, and care of cameras, lighting, and accessories to new users

### *Western Carolina University, **Director of Photography***

*Aug 2021 - Present*

Lead dozens of film crews of varying sizes with several different directors shooting separate lengths and genres

- Rabies (2023)
- The Ashes (2023)
- A Fleeting Breath (Feature Film) (2025)
- Matchmaker (2024)
- Parade of Sadness (2024)
- Savior of Icarus (2023)
