>> BREIF BIO

- >
- > Originally from [England](#), I began my career in the arts in the music industry
- > for CBS and EMI in London in the studio with recording artists. In 1987 the
- > music industry found me with A&M and [Capitol Records](#) in California, where I
- > began my experience with movie industry thrills in [Hollywood](#). Coupled with
- > my love of theater, I began working and acting in the theatre and film
- > industry.
- >
- >
- >
- > While busy with acting work, I was constantly drawn to the production side.
- > My opportunity came when "Patch Adams" was filmed in [Western North Carolina](#),
- > working directly with the [location manager](#), Michael Meehan. I found the

> work to be a perfect fit for me and very rewarding as well.
