PROFESSIONAL AND COURTEOUS CRAFT SERVICE

Ernie Montoya provides conscientious detail to all dietary needs, nourishing healthy snacks, fresh fruits, veggies, deli trays and various hot, cold, and specialty foods and beverages. Vegan and non gluten diets are no problem. My focus is the working cast and crew who cannot leave camera. I understand the tight constraints of production and work to alleviate the strain that can put on an individual.

Credits Include:

Transcendence Alcon
Jane Got A Gun Relativity
The Lone Ranger Disney
The Avengers Marvel
Thor Marvel
Due Date Warner Brothers
The Book of Eli Alcon

I do not view Craft Service as an entry level department. I have taken my experience in the private sector and applied it to the film world. If there are demanding individuals on your cast and crew I will satiate them. If there are locations that are demanding and require logistics, I have the knowledge and equipment to smoothly execute my job in every situation.
